Our people are beginning to realize that it is cheaper, less troublesome, and accomplishes more good for them; in fact, save them time and money to have their notices published in The Southern Indicator, than to pursue the cumbersome and expensive method of writing and sending these notices to the churches.

At the special meeting of the Ministerial Alliance held on Thursday afternoon a committee was appointed to draft suitable resolutions touching the late Rev. I. W. Simons, and President C. C. Scott was empowered to appoint a committee to arrange for a reception and banquet in honor of the Rev. Dr. N. C. Cleaves, recently elected a bishop of the C. M. E. Church. The indications are that this will be one of the grandest affairs of its kind ever held in South Carolina. Bishop Cleaves is justly held in very high esteem by everybody in Columbia.

BROOKLYN TABERNACLE
BIBLE STUDY - ON
THE FRIEND OF SINNERS.
Luke 18:9-14; 19:1-10 - June 14.
"I came not to call the righteous, but sinners." - Mark 2:17.

THE parable of today's lesson reveals the heart attitude of some of the Pharisees and of the despised publicans. Two men went up to the Temple to pray. From God's standpoint both were sinners, and needed forgiveness of sins. But the Pharisee trusted in his own imperfect works, and asked no forgiveness; the publican, however, realized his blemishes and prayed for mercy.

We must not get the impression that God is more pleased with those who live in sin than with those who strive to the best of their ability to live in harmony with His Law. On the contrary, we must all realize that we come short of perfection and need Divine mercy. The sinner who recognizes this fact is more pleasing to God than is the more moral person who fails to see his blemishes.

Jesus referred to this same error of the Pharisees at another time, saying, "I came not to call the righteous, but sinners, to repentance." He thus sought to call attention to the fact that although the Pharisees claimed to be righteous, yet they were not so. Until they should learn that they and all other members of the Adamic race were sin-sick and needed the remedy which only the Redeemer can give, they were not in condition to come to Him for forgiveness.

Not realizing their need, the Pharisees did not become Jesus' disciples, and thereby missed a great blessing. On the contrary, the majority of His followers were publicans and sinners—people who had not been living proper lives, but who earnestly acknowledged their faults, turned from sin, accepted healing from the Good Physician, and became His followers.

To You, Mr. Stock Owner

Would you own a horse and let him suffer and be satisfied? Why the horse needs a dentist as well as the human being does. If you have his teeth kept up it will save other trouble on the horse. When this is done the animal will eat better and give you better service. Do you know that you give away better stock than what you buy every year because you don't call a veterinary surgeon and ask his opinion about it. As long as you do so it will keep you buying stock. Our business is to take care of the stock and his owner. The white people have us to work the same ones over again and then they sell them right back to you for the same price you first paid. Why can't you do the same thing and save the price of another horse or mule? We are called all over this county to do so for the white people and you are paying for it. It is time to wake up and get busy. We will do the same thing for you. Yours truly,
DR. J. H. SIMS,
